Our tutoring 我們的輔導

1. Builds a solid foundation 建立穩固基礎

2. Enhances general knowledge 增強社會常識

3. Offers in-depth learning 賦予深入學習

4. Improves understanding 增進理解能力

我們提供的教學加強：

1. 語法：語法是語文的基礎，如果學生不能明白語法的運用，就不能寫出好的文章。
2. 語感：學生在課堂上運用語文交流和解決問題，增加語文的使用，也增強了語感。
3. 理解：通過經驗豐富的老師解釋，學生可以在較短的時間內瞭解課文和問題。
4. 內容：很多學生的寫作和會話因為缺乏內容，顯得空洞。在我們的補習科可以讓學生增加更多時事和常識，使內容更加充實。

Our teaching enhances:

1. Grammar – Grammar is the foundation of a language. Without a correct understanding of grammar, it is impossible to produce a piece of good writing.
2. Language sense – By attending our lessons, students have more opportunity to practice the language.
3. Comprehension – Students understand problems better with the explanation of our experienced teachers.
4. Content – Without good content, it is difficult to get good results in writing and speaking tests. It is therefore our aim to increase general knowledge in our lessons.
